

Municipality of Trent Hills

Fire Hydrant Flushing Program 2017

April 24 – April 28th, 2017 May 1 – May 5, 2017 May 8 – May 12, 2017	Campbellford and Hastings
May 15 – May 19, 2017	Campbellford and Warkworth

The Municipality of Trent Hills will be conducting fire hydrant flushing and flow testing in the Urban Centres of Campbellford, Hastings and Warkworth as part of our maintenance program.

The Municipal Water Staff will make every effort to maintain this schedule.

In some areas, flushing operations may be carried out in the late evening and early morning to minimize the disruptions that can occur to your water supply during these operations.

Customers may experience discoloured water. If you do, it would be advisable to refrain from doing laundry or using hot water until the water clears.
